

Anglo Holt

the complete construction service

Audi, Sytner Group Ltd, Bradford

The design and construction of a New Car Dealership with service and repair workshop and valet cleaning.

The site was previously part of Bradford Gas Works, its part remediation was carried out in 2004. The three plotted site required the full remediation for the construction of the dealership and the connecting Estate Road.

The plot is divided by the Bradford Beck, the culvert cover formed the basis of the building design, with showroom and workshop constructed on opposing sides of the Beck bridging with the covered drive through.
