

# Anglo Holt

the complete construction service

# New Grandstand, Towcester Racecourse, Towcester

**Anglo Holt** were selected to construct a new racecourse grandstand to include betting hall, restaurant, corporate boxes and all facilities for stewards, judges and all observation cameras.

The new grandstand is part of Towcester's continued investment to bring the racecourse up to an extremely high standard achieved by only a handful of other courses nationally.

As the racecourse is situated within the grounds of Lord Hesketh's estate, it was important to ensure a high class finish which would not be out of place in the rural setting.
